# make your own
# lemon garland

**1**

print page 2 from this file
several times

**2**

give the lemons a nice colour

**3**

cut out the lemons along the dashed line

**4**

make a hole in the leaf of
each lemon with a hole punch

**5**

string the cord through the holes of the first
lemon and make a small knot, repeat this until
all the lemons are attached to the cord

**6**

your garland is done – go hang it up!
